

Homework questions IDEA QIP course - Akhmerov lectures

Pick one of the following papers, read it and write a short review about it.

<http://arxiv.org/abs/1111.6600>

<http://arxiv.org/abs/1008.0629>

<http://arxiv.org/abs/1310.4525>

<http://arxiv.org/abs/0804.4469>

In your report:

- * Write which paper you are reviewing.
- * Explain what in the paper relates to what you learned in the lecture.
- * Explain what is new, compared to the lecture.
- * Finally, evaluate the strong and the weak points of the paper.
